DEDICATION

TO OUR PARENTS TO WHOM WE OWE EVERYTHING, WE PROUDLY DEDICATE THIS ANNUAL. NOT IN PAYMENT BECAUSE YOUR KINDNESSES AND SACRIFICES HAVE NO PRICE, BUT AS A TOKEN OF OUR HIGHEST APPRECIATION FOR ALL YOU'VE DONE. AND BECAUSE YOU HAVE DONE ALL THIS WE PROMISE THAT WE WILL STRIVE TO LIVE UP TO THE HIGHEST MORAL, PHYSICAL, AND SPIRITUAL STANDARDS YOU HAVE SET FOR US.

ADMINISTRATION

ADMINISTRATION IS NEW TO THE SYSTEM

TO THE SENIORS OF '74

Each of you has reached a point in your life that brings many immediate considerations. Some considerations may be, should I continue my education, what jobs are available, or what will my friends be doing? It is good to carefully consider these things that affect our daily lives or are a part of the near future. However, it is of equal importance that each of us has a long range goal - something we can realistically achieve in the next five years. With this goal established, we can give proper direction to our immediate considerations because the long range goals allow us to sort out those things that are not important in reaching the goal. This statement may never be read or given serious considerations, but I can guarantee that you nor I will be where we desire five years from now if we think only of now.

My wish for each of you is that you WILL establish a goal and that you are SUCCESSFUL in reaching it. As your class motto states, "A New Road Is Calling - so - I'll Just Say Good-bye."
